#### Summary

- Thursday's trading sentiment was rather negative on the world's capital markets.
- Moody's has cut Volkswagen's rating outlook to negative, following Fitch's similar move.
- The Brent's price ground higher.

Thursday's trading sentiment was negative on the world's capital markets. In the USA the Dow dropped 0.48%, with Procter & Gamble being the top performer (+1.57%). The S&P500 shed 0.34%, the NASDAQ100 closed 0.29% down, and the Russel2000 slipped 0.22% yesterday.

News about car manufacturers continued to keep investors worried in Europe, where markets were under selling pressure for most of the day. The DAX decreased by 1.92%, the Footsie sank 1.17%, and the CAC40 contracted by 1.93% on Thursday. In week-on-week comparison, the DAX has lost more than 6%.

Following Fitch, Moody's also worsened Volkswagen's debt rating outlook to negative.

Japan's Nikkei closed 1.76% higher this morning. In China, the Shanghai Composite declined and the Hang Seng climbed higher.

The euro could advance against the US dollar on Thursday but opened on a weaker note this morning. The dollar proved strong versus the Japan yen, and this trend continued this morning.

The Brent oil's price upped 0.6%, to USD 48.5.

GOV'T BOND MARKET

# DAILY REPORT - GLOBAL MARKETS

Germany's Ifo business climate index, at 108.5, paints somewhat more positive picture of the country's economy than had been predicted (108.0).

Thursday's meeting of the Czech National Bank left its base rate on hold (at 0.05%), as expected.

Today the USA will publish the third estimate on its Q2 annualized quarter-on-quarter GDP data. Analysts expect the figure to match the previously released statistics.

### DAILY REPORT - GLOBAL MARKETS

#### Disclaimer for OTP Bank Romania S.A. customers

OTP Bank Romania S.A. does not intend to present this document as an objective or independent explanation of the matters contained therein. This document a) has not been prepared in accordance with legal requirements designed to promote the independence of investment research, and b) is not subject to any prohibition on dealing ahead of the dissemination of investment research.

This communication does not contain a comprehensive analysis of the described issues. This report is issued for information purposes only and should not be interpreted as a suggestion, an invitation or an offer to enter into any transaction, as an investment advice, and it does not constitute legal, tax or accounting advice. Also it is not and should not be considered a recommendation for investment in financial instruments according to NSC Regulations no. 32/2006 and 15/2006.

Information herein reflects current market practices. Additional information may be available on request. This document is intended only for the direct and sole use of the selected customers of OTP Bank Romania S.A. Any form of reproduction or redistribution to any other person that the intended recipients, including publication in whole or in part for any purpose, must not be made without the express written agreement of OTP Bank Romania S.A. Although the information in this document has been prepared in good faith from sources which OTP Bank Romania S.A. believes to be reliable, we do not represent or warrant its accuracy and such information may be incomplete or condensed. The issuer of this report does not claim that the information presented herein is perfectly accurate or complete. However it is based on sources available to the public and widely believed to be reliable. Also the opinions and estimates presented herein reflect a professional subjective judgment at the original date of publication and are therefore subject to change thereafter without notice. Furthermore there can be no guarantees that any market developments will unfold as forecasted. Opinions and estimates constitute our judgment and are subject to change without notice.

OTP Bank Romania S.A. may have issued reports that are different or inconsistent with the information expressed within this report and is under no obligation to update or keep current the information contained herein.

OTP Bank Romania S.A. may hold a position or act as market maker in the financial instrument of any issuer discussed herein or act as advisor or lender to such issuer. This document is not intended to provide the basis for any evaluation of the financial instruments discussed herein. In particular, information in this document regarding any issue of new financial instruments should be regarded as indicative, preliminary and for illustrative purposes only, and evaluation of any such financial instruments should be made solely on the basis of information contained in the relevant offering circular and pricing supplement when available. OTP Bank Romania S.A. does not act as a fiduciary for or an advisor to any prospective purchaser of the financial instruments discussed herein and is not responsible for determining the legality or suitability of an investment in the financial instruments by any prospective purchaser.

This report is not intended to influence in any way or to be considered a substitute to research and advice centred on the specific investment objectives and constraints of the recipient (including tax concerns) therefore investors should obtain individual financial advice. Before purchasing or selling financial instruments or engaging investment services, please examine the prospectuses, regulations, terms, agreements, notices, fee letters, and any other relevant documents regarding financial instruments or investment services described herein in order to be capable of making a well-advised investment decision. Please refer to your competent adviser for advice on the risks, fees, taxes, potential losses and any other relevant conditions before you make your investment decision regarding financial instruments or investment services described herein. OTP Bank Romania S.A. in compliance with the applicable law, assumes no responsibility, obligation, warranty or guarantee whatsoever for any direct or indirect damage (including losses arising from investments), or for the costs or expenses, detrimental legal consequences or other sanctions (including punitive and consequential damage) sustained by any natural or legal person as a result of the purchase or sale of financial instruments or engaging investment services described herein, even if OTP Bank Romania S.A. was warned of the possibility of such occurrences.

Figures described herein refer to the past and past performance is not a reliable indicator of future results. Investments in financial instruments carry a certain degree of risk (fluctuation of share prices, uncertainty of dividend, yields and / or profits, exchange rate fluctuations, etc.). The capital invested is not guaranteed, investment gains, usually assumed proportionate to risk, and past performance of financial instruments is not a guarantee for future performance.

Please note that the Internet is not a secure environment and OTP Bank Romania S.A. does not accept any liability for any loss caused by the result of using this report in a form altered or delayed by the wilful or accidental interception, corruption or virus infection.
